

In order to be considered in the "National Club" Rankings, there are certain criteria that US Club Rankings specifically follows. The first criteria is that the club must have at least 3 teams in different age groups ranked in the top 100 of the National Rankings. We then take the top team in each individual age division from the National Ranking and put a point total to it based on the team's rank (shown in table on the left below).

1st	100pts	14u	10%
2nd	99pts	15u	15%
3rd	98pts	16u	25%
4th	97pts	17u	25%
5th	96pts	18u	25%

We then multiply the point total by a weighted percent (shown in table on the right above) based on the varying importance of each age division.  
(Ex: older age groups are weighted more heavily based on college recruitments, coach strength, etc.)

We add your points from 14's to 18's for your total score.
