

In order to be considered in the "National Club" Rankings, there are certain criteria that US Club Rankings specifically follows. The first criteria is that the club must have at least 3 teams in different age groups ranked in the top 100 of the National Rankings. We then take the top team in each individual age division from the National Ranking and put a point total to it based on the team's rank (shown in table on the left below).

1st	100pts
2nd	99pts
3rd	98pts
4th	97pts
5th	96pts

14u	10%
15u	15%
16u	25%
17u	25%
18u	25%

We then multiply the point total by a weighted percent (shown in table on the right above) based on the varying importance of each age division.
(Ex: older age groups are weighted more heavily based on college recruitments, coach strength, etc.)

We add your points from 14's to 18's for your total score.
