

2025 National Volleyball Club Ranking - 1 Year

In order to be considered in the "National Club" Rankings, there are certain criteria that US Club Rankings specifically follows. The first criteria is that the club must have at least 3 teams in different age groups ranked in the top 100 of the National Rankings. We then take the top team in each individual age division from the National Ranking and put a point total to it based on the team's rank (shown in table on the left below).

1st	100pts
2nd	99pts
3rd	98pts
4th	97pts
5th	96pts
6th	95 pts

13u	20%
14u	20%
15u	20%
16u	20%
17u	20%
18u	20%

We then multiply the point total by a weighted percent (shown in table on the right above).
We add your points from 13's to 18's (dropping your lowest age group) for your total score.
