## 2026 National Volleyball Club Ranking – 5 Year Consolidated

Each club's 5-year score is a recency-weighted blend of its single-season club score in each of the trailing 5 calendar years (2022, 2023, 2024, 2025, 2026):
2022: 5%  2023: 15%  2024: 20%  2025: 25%  2026: 35%
A year with no score for a club contributes 0, not a renormalized share of the remaining weight.
Top 100 shown.
